To whom it may concern,

My husband and I are home owners at the International club, which is located off highway 707 and Tournament Blvd.. We were so pleased when the new Lowes grocery store moved into our neighborhood, we were even more excited with the new CVS . I see a lot of my neighbors walk to the complex. What we need now is a nice place to eat like Friendly's or Applebee's. I know a lot of people were un happy about Lowes moving in but, now I think most, people are happy now., with the gas station moving in I can do all my one stop shopping. Thanks for moving into the neighborhood

Sincerely,

John & Barbara Ridilla
